

Send Results – Email

When a meet is completed and submitted, a coach from the Home or Visiting team may send the results, via email, to any valid E-mail address.

First you must open 'Swim Meets' database and login. Once logged in, you can open one of your meets. On the top of the page you should see the following:

Send Newspaper Format? Yes No

From here, specify the email address (one address per line) and add Additional Comments. Note: Additional Comments are not available to Anonymous users (anyone looking at the site without logging in).

If you want to send the email to a newspaper organization, there is an option to send in addition a text version of the results (only top three finishers). To turn this feature on, simply select 'Yes' for the 'Send Newspaper Format'. Then pressing 'Submit' will send the meet results to the e-mail addresses specified.
